

## Weekend Science Presenter

We are recruiting! In recent times we have made huge strides in developing our charitable goals and our public offers, yet there is still more to be done. We are looking for someone to join our team and provide a great experience for all our visitors. This is a great opportunity to make a real difference in the next stage of our development.

### Background

Catalyst Science Discovery Centre and Museum has been successfully trading for over 30 years. Our aim is to inform, educate and inspire the widest audience about the relevance of chemistry through;

- Our unique offerings and hands-on experiences
- Our rich industrial heritage archives
- Our strong links to the local area.

Catalyst Science Discovery Centre and Museum is looking to appoint a dynamic, enthusiastic Science Presenter to deliver interactive shows and hands-on workshops to families and groups visiting the centre at the weekends. The role will involve performing demonstrations to the public and enthusing everyone about science.

### The Role

Reporting to the Education Manager

Responsible for: Delivering interactive shows, hands-on workshops and demonstrations to families and groups visiting the centre.

Salary: National Minimum Wage

Hours: One weekend in three (both Saturday and Sunday) on a flexible basis, although occasional cover may be required to cover special events and holidays

## **Main duties and responsibilities**

- To deliver hands-on workshops and interactive shows to the general public and to pre-booked groups.
- To work at Catalyst one weekend (both Saturday and Sunday) in three, although occasional cover may be required to cover special events and holidays.
- To work flexible hours where required, including some early starts for pre-booked groups.
- To professionally represent Catalyst and promote its aims and objectives at all times.

## **The successful candidate must have**

- Excellent communication and presentation skills
- A passion for science
- The ability to work with people of all ages
- A confident and fun personality with bags of energy
- The ability to work on own initiative and as part of a team

Our employee benefits offer contains life assurance cover, pension provision, holidays, free parking and reduced rates in the café.

Full training will be given. The position would suit a Further Education or University student – especially if considering a career in teaching.

The successful candidate will be required to undergo an enhanced DBS check as you will be working with children and their families.

To apply, please send a CV and a covering letter explaining your suitability for the role and how you meet the attributes.

**Closing date is noon on Friday 28th April 2023.** Interviews will be held the following week.
