

Local dementia café at Catalyst!

Meeting from 1:00pm

Our dementia café is held every month in the café at Catalyst Science Discovery Centre and Museum.

The session offers attendees and their carers a place to socialise with people in similar situations who understand, in a relaxed and interesting setting.

The sessions are usually held on the **first Sunday of each month** at 1:00pm.

There is no need to book, this is a drop in session.

Refreshments are available to purchase from the café.
